DATED MARCH 14, 2011

Copies now Oscar Stilley, (Stilley)
and for his motion to extend time
states:

- 1) Stille Just this March 22, 2011 received the government's response to his "Motion For Order Prohibiting Government from Interference..."

- 2) There are significant matters to which Stilley intends to reply.

- 3) Stille is currently in Special Housing Unit (SHU) on day 32 of a hunger strike, seeking principally the cessation of certain policies that threaten the health of inmates, including Stille.

4) Stiley is currently denied access to his own legal material, paper, and other items used for the reply ~~to the motion~~.

5) Prison Program Statements say that SHU inmates are entitled to these items.

6) Stiley is not allowed a "SHU pen" but rather relegated to a rubber pencil.

7) Stiley's SHU cell was searched, with the confiscation of his legal correspondence received as of that date. Stiley has not been told whether or not legal mail received in SHU since that time will likewise be confiscated, and held in "property" pending Stiley's departure from SHU.
8) Stiley cannot effectively advocate under these circumstances. ~~Stiley is not allowed to write to his attorney~~

9) The interests of justice & judicial economy would be served by an extension.

10) Due to the short time and severe communication restrictions in SHU, the government has not been consulted, but Stiley believes the government would not oppose a reasonable extension under the circumstances.

1) Stilley requests that his time ~~be~~ for reply be extended up through & including Wednesday, April 13, 2011.

WHEREFORE, Stilley requests this Court extend time for his reply up through & including April 13, 2011, and for such other and further relief as may be appropriate whether or not specifically requested.
